### Description

Spacious corner town house for sale in Tormos. It is a large house of 263 sq meters built. The house needs a complete reform, but has many possibilities due to its spaciousness and the large courtyard. It currently consists of two floors. The ground floor is distributed in a spacious entrance hall, a spacious living-dining room with fireplace, two bedrooms, a living room, a kitchen, a bathroom and a large patio with laundry room and storage room. On this same level there is a two-storey warehouse and backyard that could be converted into a separate apartment with private courtyard.
