Description

"Spectacular panoramic sea view, Moraira. This is a delightful end terraced villa set in a small urban area with a well-maintained communal pool and terrace area. Entering this villa is a large and bright open-plan Kitchen and lounge, with access to a balcony area. Here we have views of the sea and mountains. From the lounge, there is the staircase leading down to the two double bedrooms and shared shower room. There is also a large walk-in storage cupboard, which houses the hot water boiler. From the main bedroom, there is access to the delightful terraced garden area and a further storage level, which is currently being used as a third bedroom with a kitchenette and shower room. There are sea views from every level of this property and a low-maintenance garden, which makes this property an ideal lock-up and go. It is also a great investment as it achieves a great rental income. ."

There is an added bonus of an underbuilt storage area the is currently being used as a guest apartment with a bedroom, small kitchen and shower room
