Description

Traditional villa for sale in Montemar, Benissa This well-maintained villa for sale in Benissa is located in the pleasant area of Montemar, just 2 kilometres from the sea. A central location, with all the amenities of Moraira, Calpe and Benissa village just a few car minutes away. The house dates from 1973, but was renovated in 2005. Two short steps take us to the living area of the house. Here, everything is at ground level. Through the spacious, glazed-in porch - a nice place any time of year, with nice views of the surroundings - we enter the cosy living room with fireplace. The traditional beamed ceiling gives this room extra atmosphere and warmth. The living-dining room is directly connected to the fully equipped kitchen. Both the fridge-freezer and the dishwasher have recently been renewed. A corridor gives access to three bedrooms. At the end of the corridor is the generous master bedroom with en-suite bathroom and dressing area. In addition, there are two spacious bedrooms, each with an en-suite bathroom. Underneath the villa is a spacious underbuild. The ceiling here is too low to live in, but this space is ideal for storage. Despite the house's age, it is equipped with modern comforts. Gas central heating, air conditioning and double-glazing ensure a pleasant indoor climate all year round. Outside is a mature garden with several terraces to enjoy Mediterranean living. There is an inviting private pool with sun terrace, outdoor shower and barbecue. Parking is available on private property. This villa is ready for immediate occupation, but also offers the possibility to give it a personal touch with a few adjustments. This way, you will turn this property into a lovely, contemporary home in a great location on the Costa Blanca North. Interested? Make an appointment today to view this villa for sale in Benissa.
